WHAT'S NEW

HUBCO CSR provided hygiene kits distribution among the residents of multiple village of Narowal District has been completed.

Mojaz Foundation has initiated its work in District Rawalpindi and Islamabad Capital Territory in partnership with WaterAid Pakistan.

Ehsas Mohalla Committee has once again been a proactive source of providing relief to the residents of Chishtian Bahawalnagar. They distributed more than 200 Ration bags with the help of locally generated and donated funds.

Our team in Muzaffargarh, carried on with their door to door awareness raising campaign and covered 5000 community members

RELIEF ACTIVITIES

PROJECT COMPONENTS

Awareness Raising in Community

One of the basic ways to counter Covid - 19 at general public level is spreading of awareness in communities. Mojaz Foundation, for this purpose, will engage Community Resource Persons (CRPs) from the UCs selected for awareness raising, using loud speakers and platforms of mosques. The CRPs will be given safety kits and orientation on the awareness raising methods, messages and tools.

Mass Media Campaigns

For awareness to be spread across the district, Mojaz Foundation is using billboards and banners to be placed at prominent places and engaging cable networks to run the campaign. The Cable TV Advertisements are already developed by WaterAid.

Provision of Hygiene Kits

Mojaz Foundation is going distributing 2,000 hygiene kits in Rawalpindi and Islamabad among the needy households. Efforts are being made to include sanitary workers residential areas as they are more vulnerable to COVID-19. Moreover, kits will be distributed to sanitary workers engaged at quarantine centers.

Provision of Hand Washing Facilities and Public Toilet

Hand washing facilities (20 in number) and a public toilet will be constructed under the project. The hand washing facilities will be both temporary and permanent depending upon the need of the place. After the project ends, these will be handed over to the district government for continuity in the future.

Relief Activities

GENERAL INJUNCTIONS BY WHO

Reduce your risk of coronavirus infection:

Frequently clean hands by using alcohol-based hand rub or soap and water

When coughing and sneezing cover mouth and nose with flexed elbow or tissue – throw tissue away immediately and wash hands

Avoid close contact with anyone that has fever and cough

#Coronavirus

#COVID19

Acknowledgements

Mojaz Foundation would like to thank the District Governments of Islamabad and Rawalpindi for their advice, cooperation and support for the implementation of WASH project. Their support is instrumental in making the project more relevant to the needs of the communities.
