PURCHASING TERMS:

Unless the context indicates otherwise, the terms “Buyer” and “Contracting Authority” refer to Mojaz Foundation. The term “Supplier” and “Contractor” refers to the entity named on the order and contracting with the Buyer. The term “Contract” can be taken to mean either (a) the purchase order or (b) the supply/service Contract, whichever is in place.

GENERAL TERMS AND CONDITIONS

1. **Price:** The prices stated on the order shall be held firm for the period and/or quantity unless specifically stated otherwise
2. **Source of Instructions:** The Supplier shall not seek nor accept instructions from any source external to Mojaz Foundation in relation to the performance of the Contract.
3. **Assignment:** The Supplier shall not assign, transfer, sublet, or subcontract the Contract or any part thereof without the prior written consent of the Buyer.
4. **Corruption:** The Supplier shall not offer, give, or agree to give any inducement or gift to any employee of the Buyer that could reasonably be perceived as a bribe. Any breach of this provision may result in the immediate termination of the business relationship and any existing contracts.
5. **Confidentiality:** All data, including but not limited to maps, drawings, photographs, estimates, plans, reports, and budgets that have been compiled by or received by the Supplier under the Contract shall be the property of the Contracting Authority/Buyer and shall be treated as confidential. All such data should be delivered to the authorized officials representing the Buyer upon request.
 - 5.1 The Supplier may not communicate at any time to any other person, government, or authority external to Contracting Authority/Buyer, any information that has been compiled through association with Contracting Authority/Buyer which has not been made public except with written authorization from the Contracting Authority/Buyer. These obligations do not lapse upon termination of the contract.
6. **Use of Emblem or Name:** Unless otherwise agreed in writing, the Supplier shall not advertise nor make public the fact that it is supplying goods or services to the Buyer, nor shall the Supplier in any way whatsoever use the name or emblem of Contracting Authority/Buyer in connection with its business or otherwise.
7. **Observance of Law:** The Supplier shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of the contract.
8. **Force Majeure:** The meaning of the term can be taken to mean acts of God, war (declared or not), invasion, revolution, insurrection, or acts similar in nature or force.
 - 8.1 In the event of, and as soon as reasonably possible after, the occurrence of any event deemed to constitute force majeure, the Supplier shall notify the Buyer in writing, providing full particulars. If the Supplier is rendered unable, in whole or in part, to perform its obligations, the Buyer may, at its sole discretion, take such action as it deems appropriate or necessary under the circumstances.

8.2 If the Supplier is permanently rendered incapable in whole or part by reason of *force majeure* to complete its obligations and responsibilities under the Contract, then the Buyer will have the right to suspend or terminate the contract on the same terms and conditions laid out in section 9, Cancellation.

9. Cancellation: If the Buyer suspends its operations or undergoes changes in its mandate as directed by the Executive Council/Board of Directors of the Buyer/Donor, or if there is a lack of funding, the Buyer retains the right to cancel the contract. In such an event, the Supplier is entitled to reimbursement from the Buyer for all reasonable costs that the Supplier has incurred. This includes costs associated with materials that have been satisfactorily delivered and conform to the specified terms of the contract, up until the receipt of the termination notice.

9.1 If the Supplier faces financial challenges, such as bankruptcy, liquidation, receivership, or any other solvency issues, the Buyer maintains the right to terminate the contract promptly. This termination is executed without compromising any other rights or remedies available to the Buyer as stipulated in these conditions.

10. Warranty: The Supplier shall provide the Buyer with all manufacturers' warranties. The Supplier warrants that all goods supplied in relation to the Contract meet specification, are defect-free, and is fit for the intended use. If, during the warranty period, the goods are found to be defective or non-conforming to specification, the Supplier shall promptly rectify the defect. If the defect is permanent, then at the choice of the Buyer, the Supplier will either replace the item at their cost or reimburse the Buyer.

11. Inspection and Test: The Supplier must inspect the goods before dispatch to ensure conformance to specification and/or any other provisions of the contract. The Buyer reserves the right to inspect the goods for compliance with specifications and provisions of the contract. If, in the Buyer's opinion, the goods and/or services do not comply with the specification, the Buyer will inform the Supplier in writing. In such a case the Supplier shall take the necessary action to ensure compliance, liability for any additional cost incurred for rectifying compliance will rest with the Supplier.

12. Changes: The Buyer reserves the right to make reasonable changes at any time to the specification, drawings, plans, quantity, packing instructions, destination, or delivery instructions. If any such change affects the price of goods or performance of service, the Supplier and Buyer may negotiate an equitable adjustment to the Contract, provided that the Supplier claims for adjustments in writing to the Buyer within 5 (five) days from being notified of any change.

13. Export Licence: If an export licence or licences are required for the goods, the Supplier has the responsibility to obtain that licence or those licences.

14. Payment Terms: Unless otherwise agreed, payment terms will be 10-15 working days from receipt of a correctly prepared invoice.

15. Ethics: The Conduct to which the Contracting Authority/Buyer expects all of its suppliers to respect is as follows;

- Local labor laws are complied with
- Employment is freely chosen.

- The rights of staff to freedom of association and to collective bargaining are respected.
- Working conditions are safe and hygienic.
- No exploitation of children is tolerated.
- Wages paid are adequate to cover the cost of a reasonable living.
- Working hours are not excessive.
- No discrimination is practiced.
- Regular employment is provided.
- No harsh or inhumane treatment of staff is tolerated.
- Social rights are respected

Additionally, acceptance of these terms by a Supplier, service provider or contractor of a Contracting Authority/Buyer's supply, service or works contract, means they understand and agree to abide by the terms/ policies of the Mojaz Foundation such as safeguarding policies (Programme Participant Protection Policy, Child Safeguarding Policy and Anti-Trafficking in Persons Policy) and conflict of interest policy (the relevant policies will be shared along with the agreement with the selected supplier).

15.1 Environmental Standards - Suppliers should, as a minimum, comply with all statutory and other legal requirements relating to the environmental impacts of their business. Areas which should be considered are:

- Waste Management.
- Packaging and Paper
- Conservation
- Energy Use
- Sustainability

16. Rights of Contracting Authority/Buyer: Should the supplier fail to perform under the terms and conditions of the contract, including but not limited to failing to obtain export licenses or to make delivery of all or part of the goods by the agreed delivery date(s), the Buyer may, after giving reasonable notice to the Supplier, exercise one or more of the following rights:

- Procure all or part of the goods from an alternate source, in which event the Buyer may hold the Supplier liable for additional costs incurred.
- Refuse to accept all or part of the goods.
- Terminate the Contract.

16.1 The Contract will be terminated in the event of corrupt, fraudulent, collusive, and/or coercive practices, and the donor/funder will be informed where such practices may affect their financial interests.

17. Rights of access for test purposes: The Contracting Authority/Buyer is contractually obliged to provide certain donors with direct access to suppliers for testing purposes. This obligation applies to all suppliers of the Contracting Authority/Buyer.

18. No Agency: This order does not create a partnership between the Buyer and Supplier or make one party the agent for the other for any purpose.

Note: Bidder must declare any conflict of interest about this offer.
